ROUTINE NOTES.

[To be used only for notes, requisitions, etc., not intended for permanent record.]

In the Review of the working of the Village Courts and in the Civil Administration reports it has been pointed out that some village courts are not working. As the Civil Courts do not exercise jurisdiction in respect of cases heard by a village court, suits, tho' they may be petty, cannot be disposed of if the courts are not working which will cause unnecessary hardship. To avoid this, the Revenue Courts was asked whether certain village courts which are reported to be not working cannot be abolished. He has now submitted a list of village courts which can be abolished with a draft for orders —
